A THOUGHT TO THINK ABOUT

As you come upon this page I want you to think and see the reality of the most important matters pressing us today which deserve our best and undivided consideration. What are they? Just that we seniors have now graduated not merely from High School but into a new and much different life. The problems are strange and varied, the decisions hard, and the greater share of the credit to be given and made by the individual himself.

Just how can we improve this year? If you aspired to do and construct your life exactly as you would a building, first of all temple you want to establish, stand, and win admiration from others. You must exercise all your abilities and measure each step carefully, never rushing into a thing without a thoughtful. What you want and what you get is differentiated by hard work. And remember, all things are attainable by work, and that great desire of wanting which instigates work. Under existing conditions, naturally there are more complications. But in the most important undertakings, success will be yours.

SOPHOMORES

No longer are the sophomores the "newcomers" who are just starting to get used to the school. Under the leadership of President Wayne Grachuk, Vice-President Barry Frank, Secretary Mary K. Rose, and Treasurer Jack Pollitt.

They are learning the full meaning of responsibility and as proof of this look at their record. Of course their activities are limited, but what they have done has been done well.

Another thing the sophomores are learning well is that today's schooling is the very basic foundation for the tomorrow and it is of utmost importance and value. The sophomores this year have learned to realize that THEIR TODAY soon becomes THEIR TOMORROW!

FRESHMEN

Every year at CHS we have a new crop of freshmen, who despite the upperclassmen's constant reminder that they are freshmen, hold their heads high and step right in line to build their education for a better world.

Although composed of a few "mama's infants" and some "mean" teenagers, they're a swell bunch of kids and we know by the accomplishments they've already made here at Canton High that they're a class to be proud of.

The freshmen this year have shown a definite interest in choral work and in sports. Although not organized as a class, they have enjoyed many parties and other functions through the clubs to which they belong.

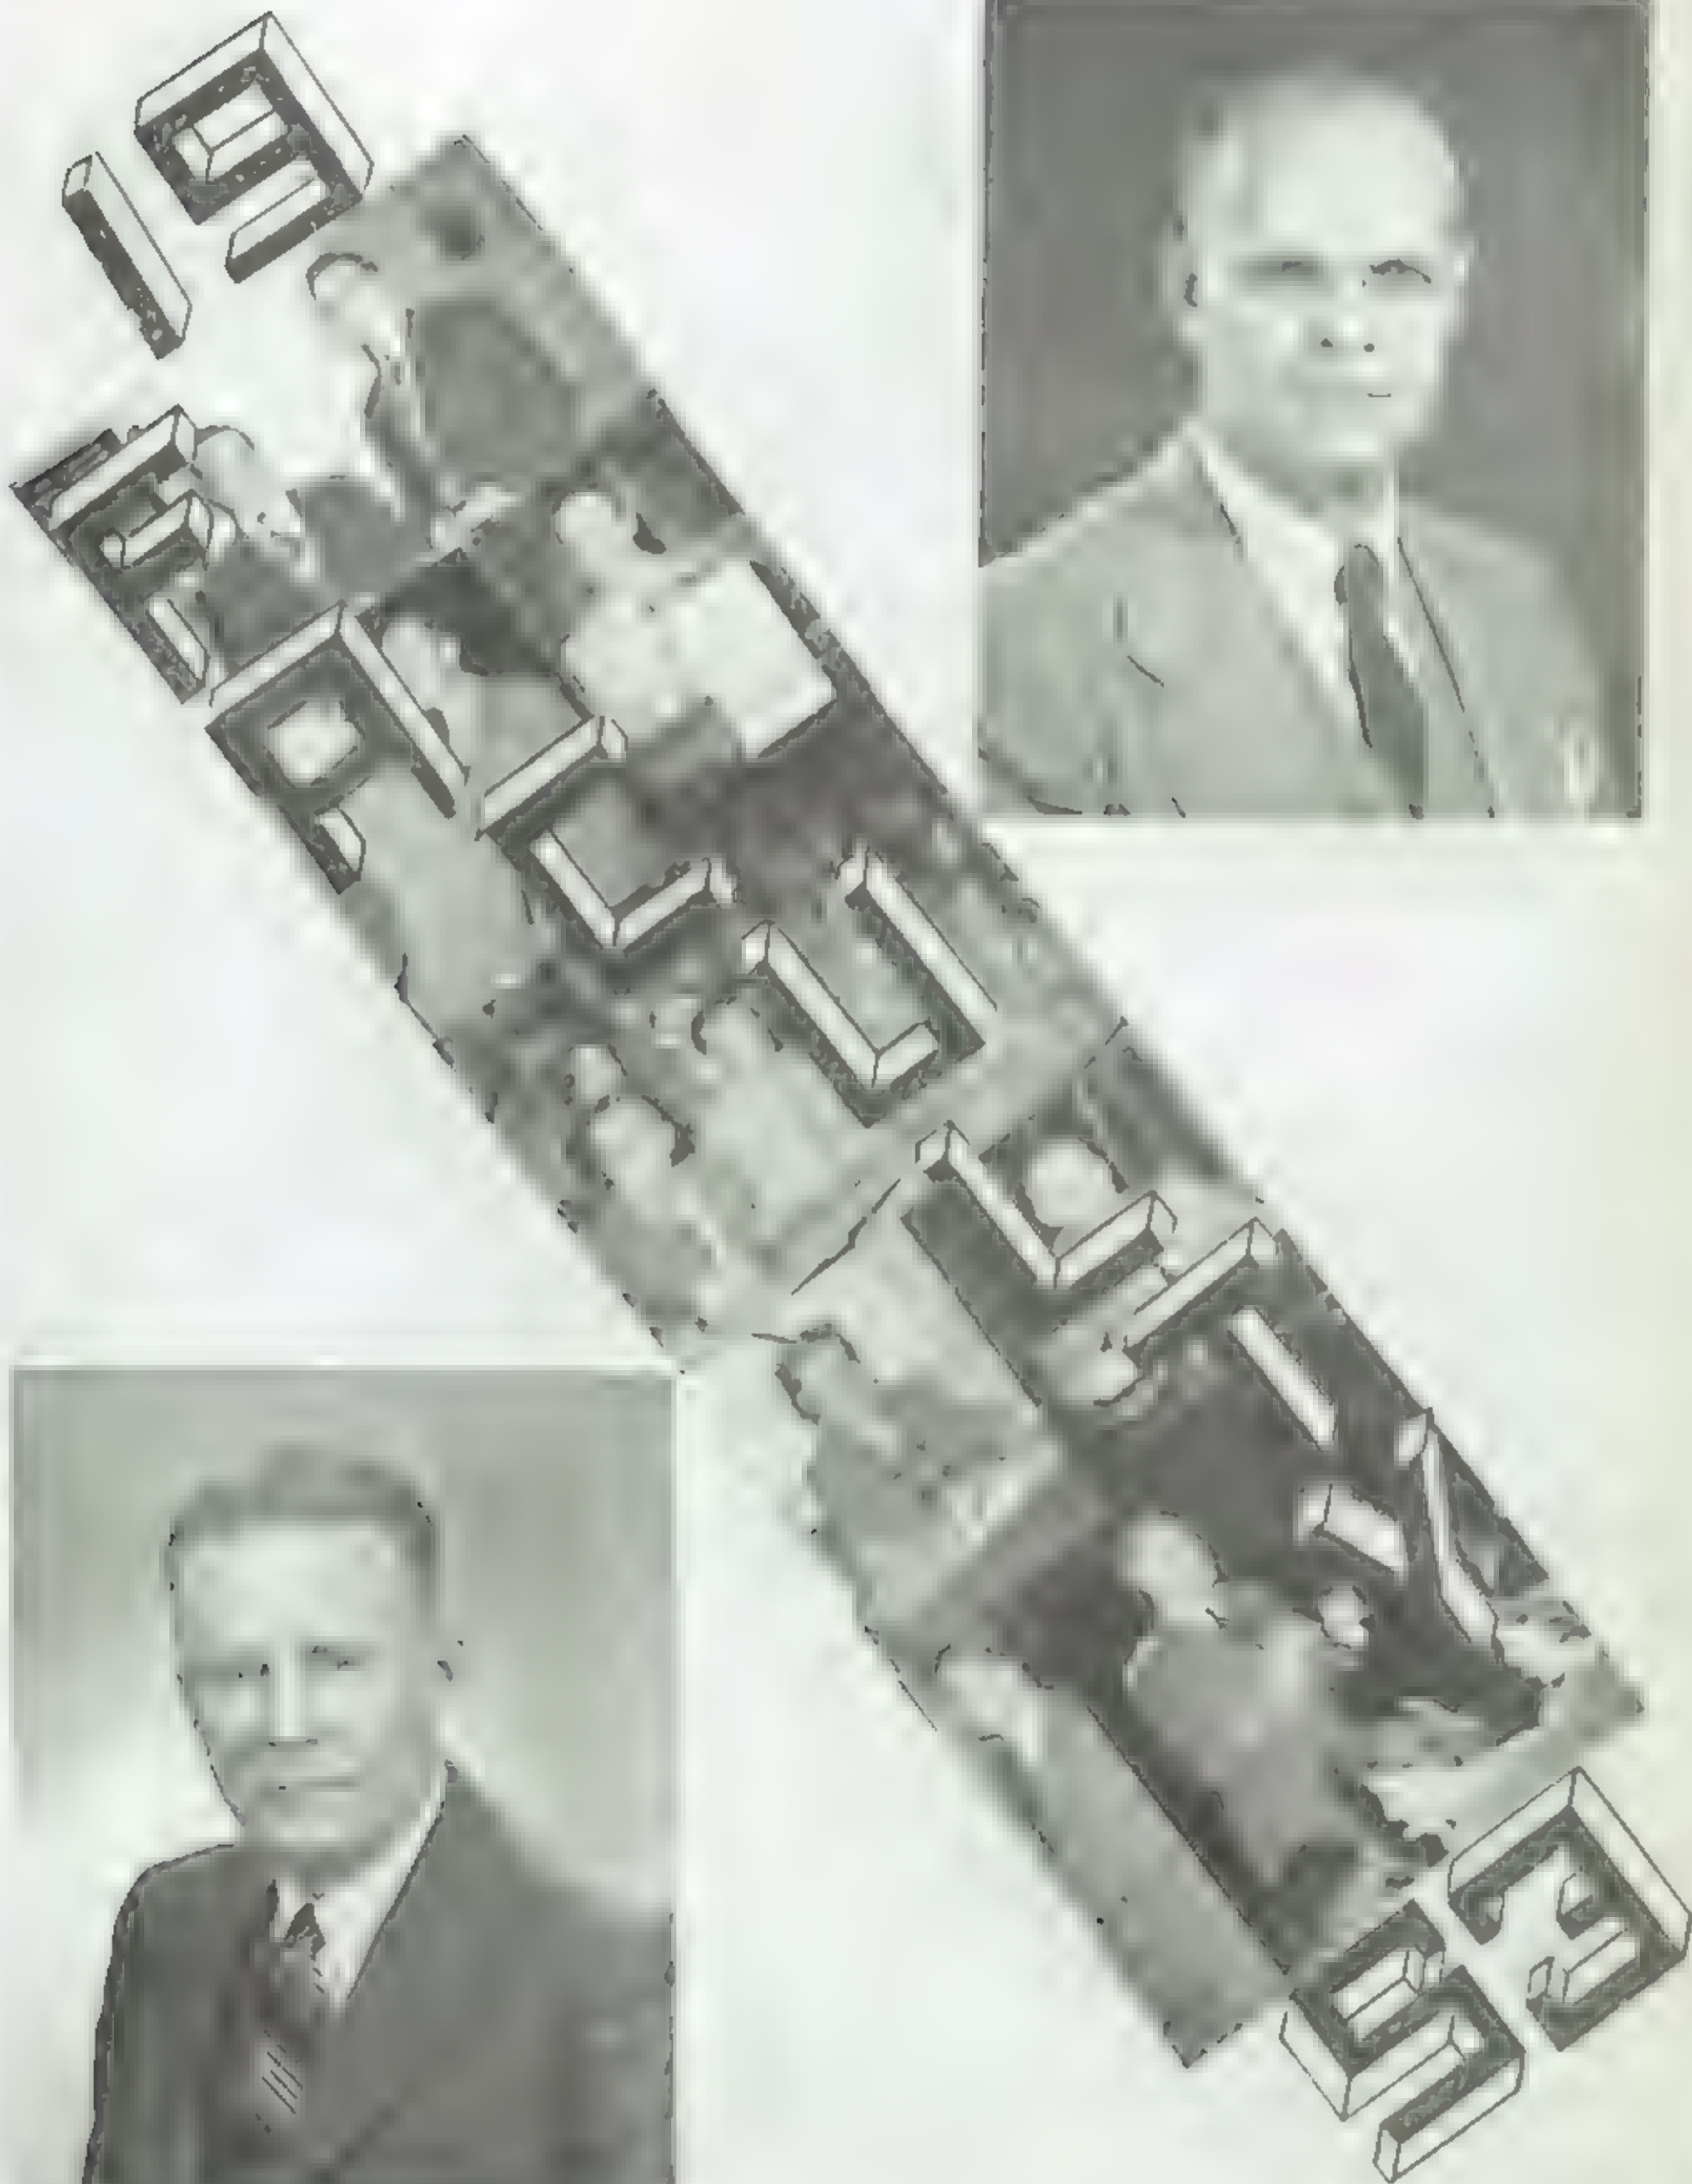

Keep up the good work kids and we'll know our school is in safe hands.

BOARD OF EDUCATION

The Board of Education is a group of men who determine the policies of the school.

They have the problem of providing adequate facilities and funds to meet the needs of a growing community and this is an important obligation.

Last year because of the growth of our community and the need for larger and more modern buildings, the School Board saw the need for a new school.

Now the erection of this fine building is well completed because our School Board is composed of efficient, ambitious men.

In Memoriam

Constance Harrison

November 4, 1952

Dear Conny:

Knowing that you have gone from us has caused much sorrow here at Canton High. But we know that you have found rest and contentment in another place. We shall never forget your wonderful attitude toward "your kids," and the timely, helpful advice they could always get from you.

It is with deep pride that we dedicate to you this page in our Cantonian, because it was you who for years gave tirelessly of your time and effort in order that our yearbooks might always be among the "tops."

Time will never erase your memory from our hearts, Conny, and although your absence here is sorely felt, we shall long profit from the wisdom of your teaching.

Yours respectfully,
The Students and Faculty of C.H.S.

In Memoriam

Clarence Stitzel

August 26, 1952

Dear Mr. Stitzel:

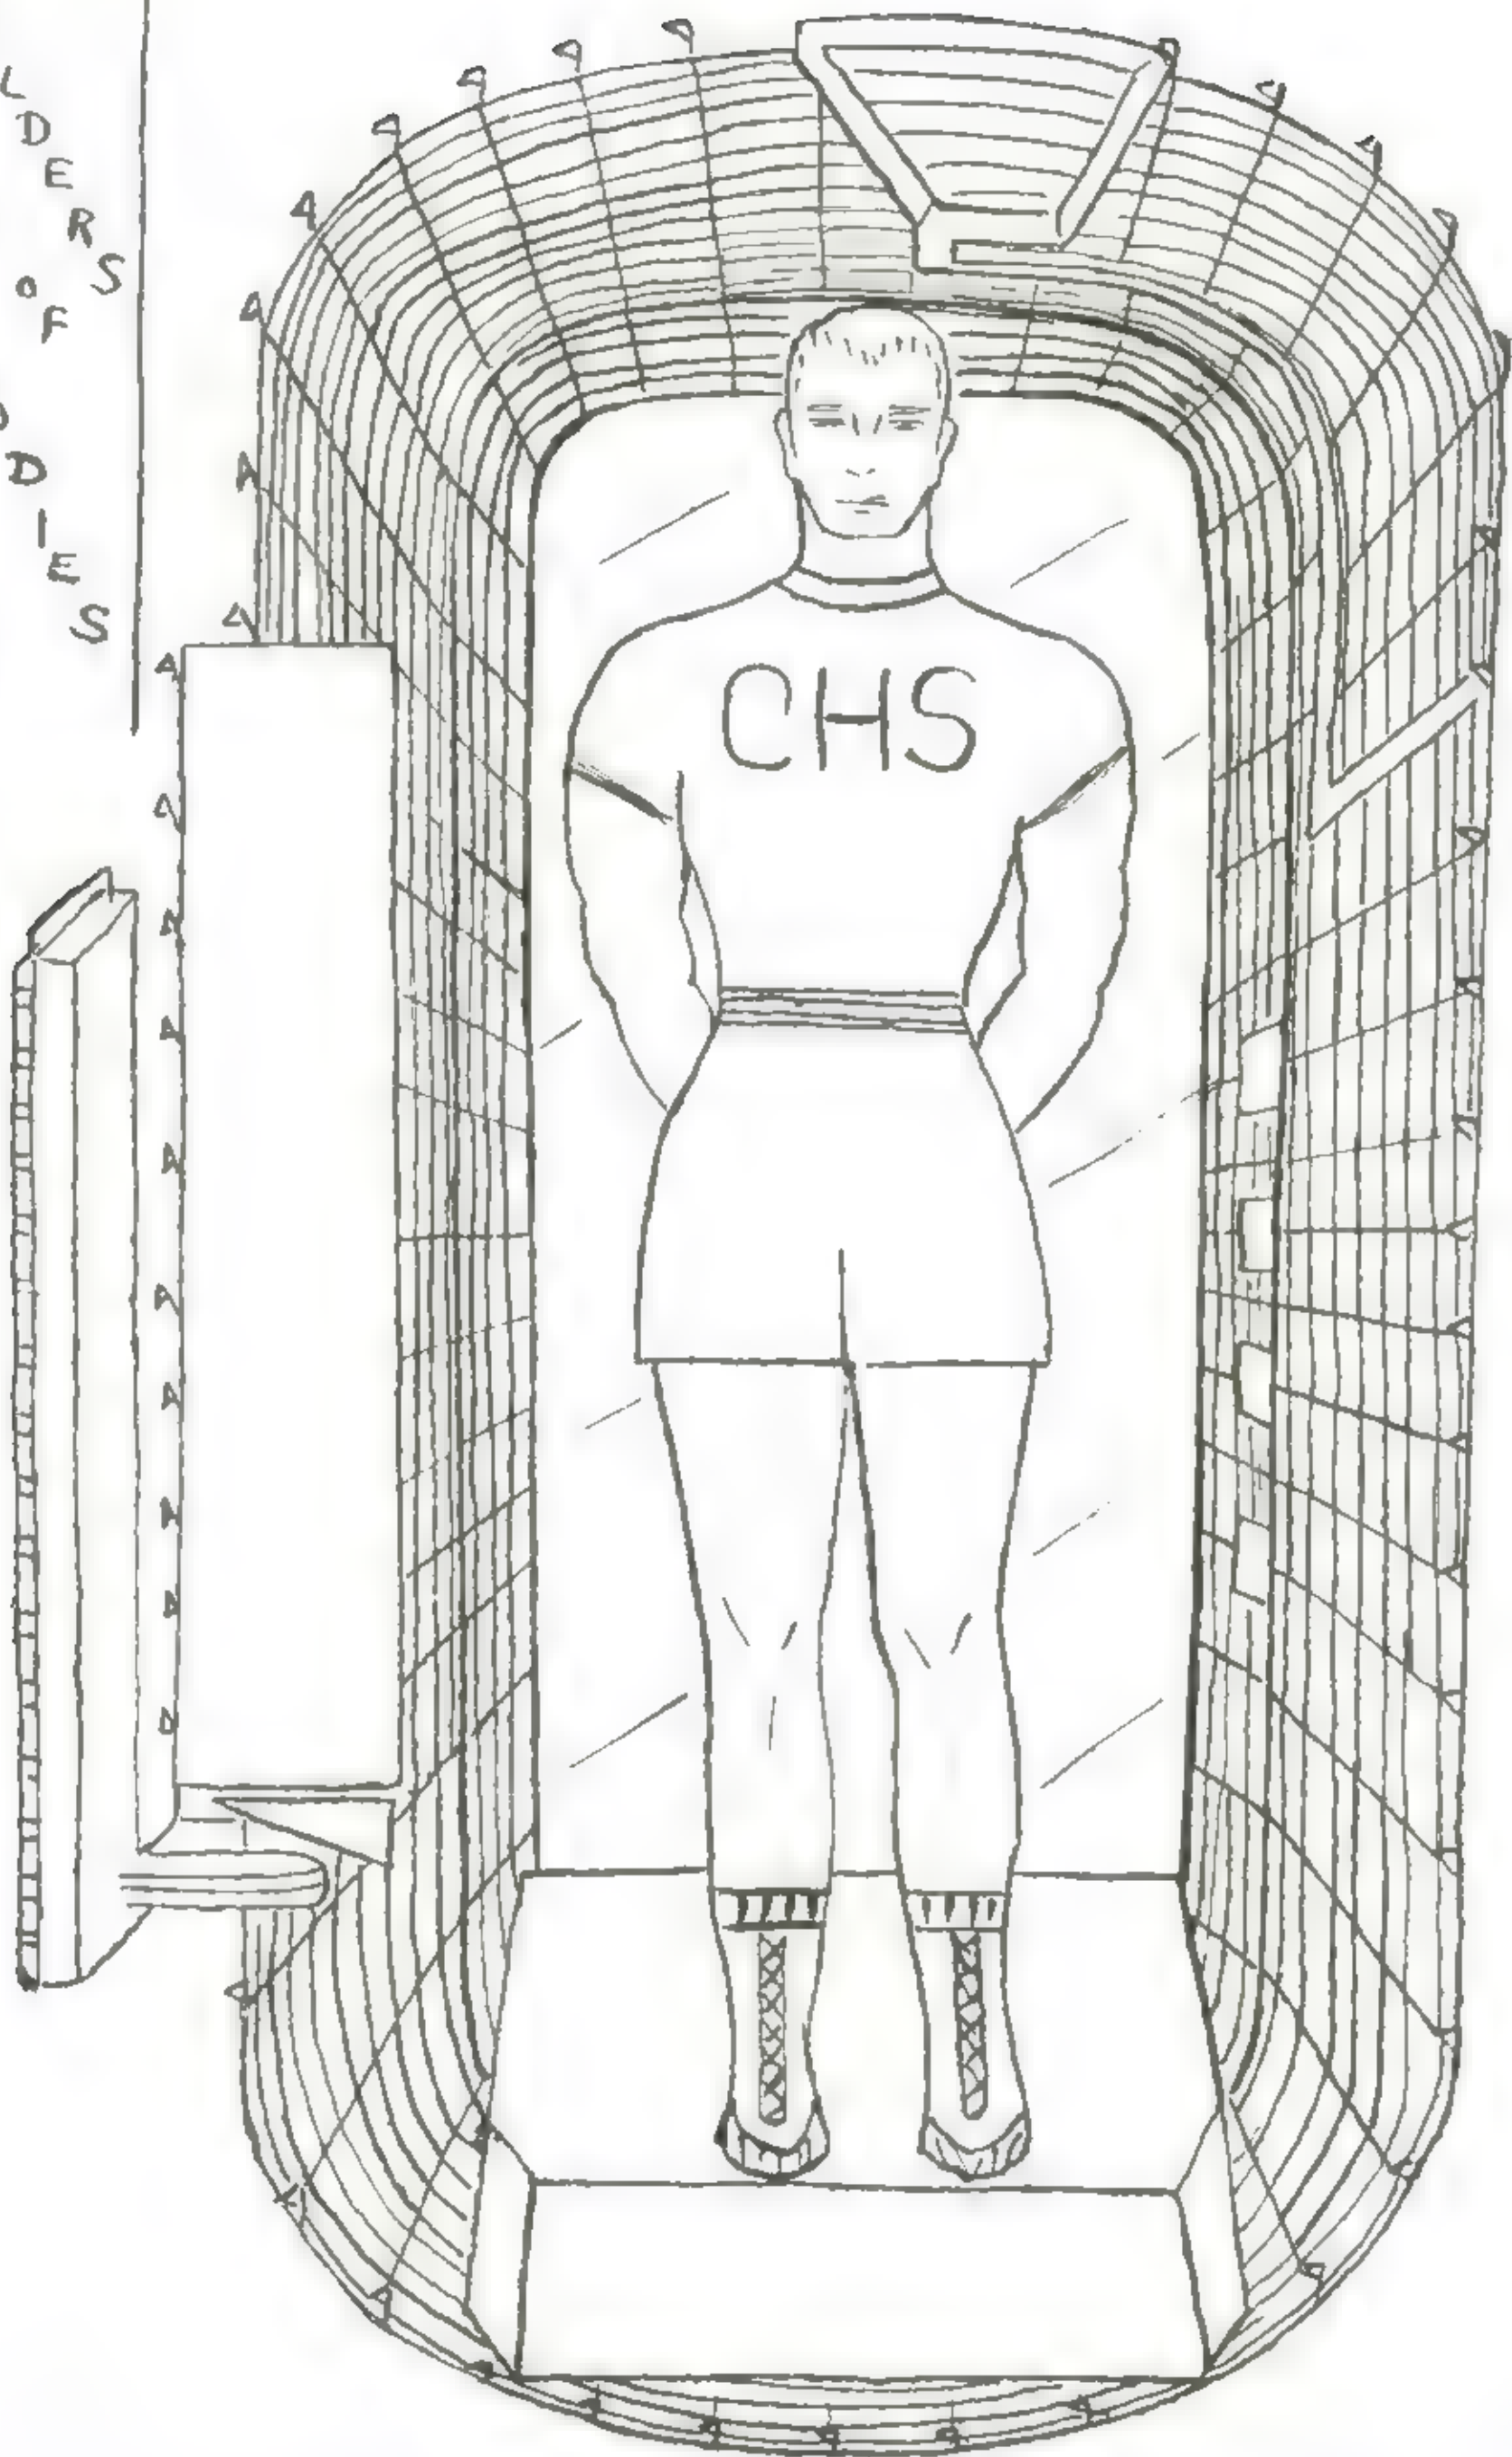

We know you always loved above all to travel, so perhaps this is just another longer, more delightful journey you are taking now that all your tasks are done.

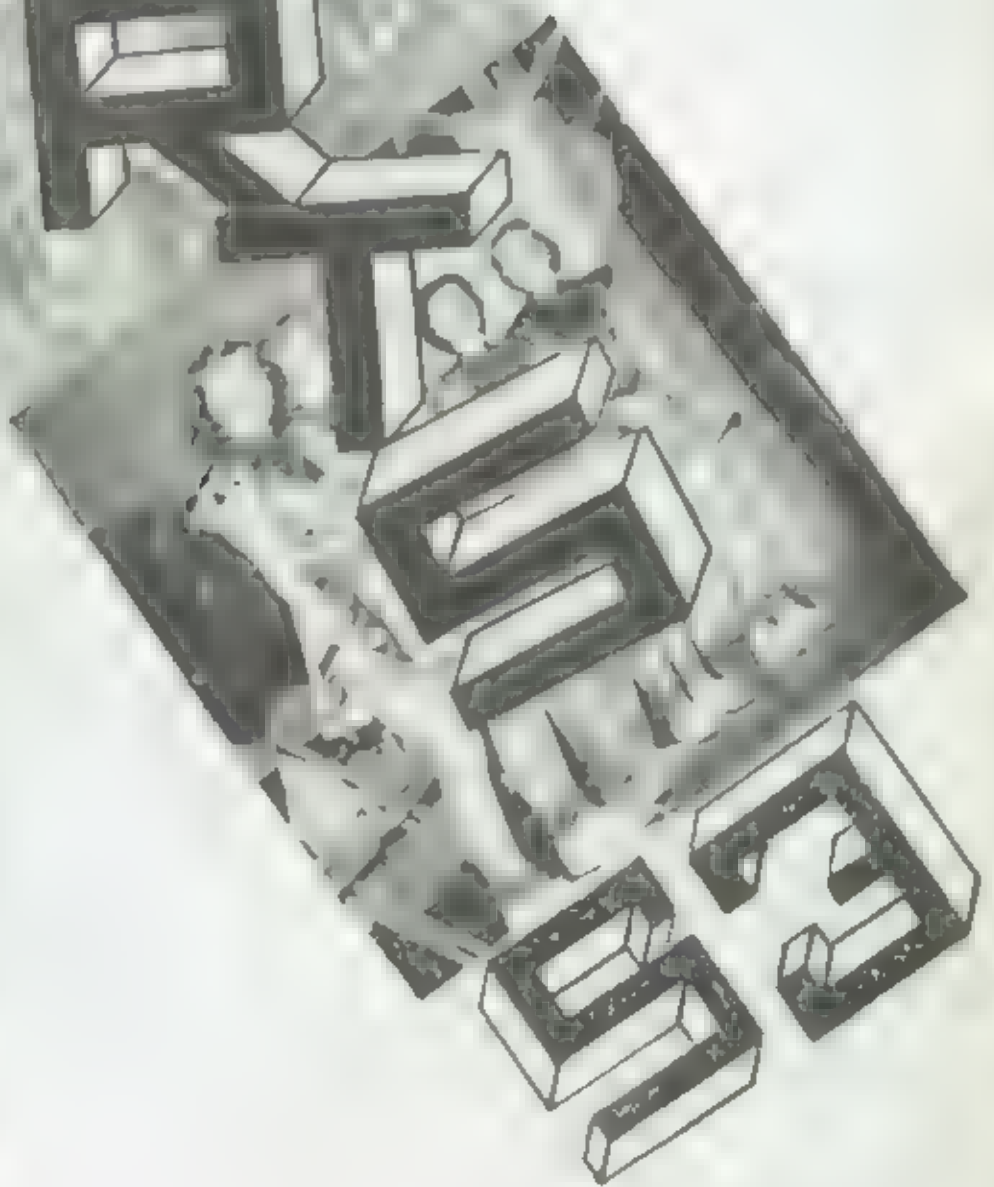

And you were burdened with numerable tasks here in the high school. Producing winning judging teams year after year, proving truly good farmers for our corn-belt community, and being yourself an honorable and high named agriculturist was a worthwhile occupation.

Your serious kindness, your consideration for others, your quiet mien, and easy-going ways; because these were all yours, your life always touched upon ours and shall continue to do so. You'll live on in our lives here at C.H.S. and in the lives of all others who knew you.

With all sincerity,
The Students and Faculty of C.H.S.

BASKETBALL 1952-1953

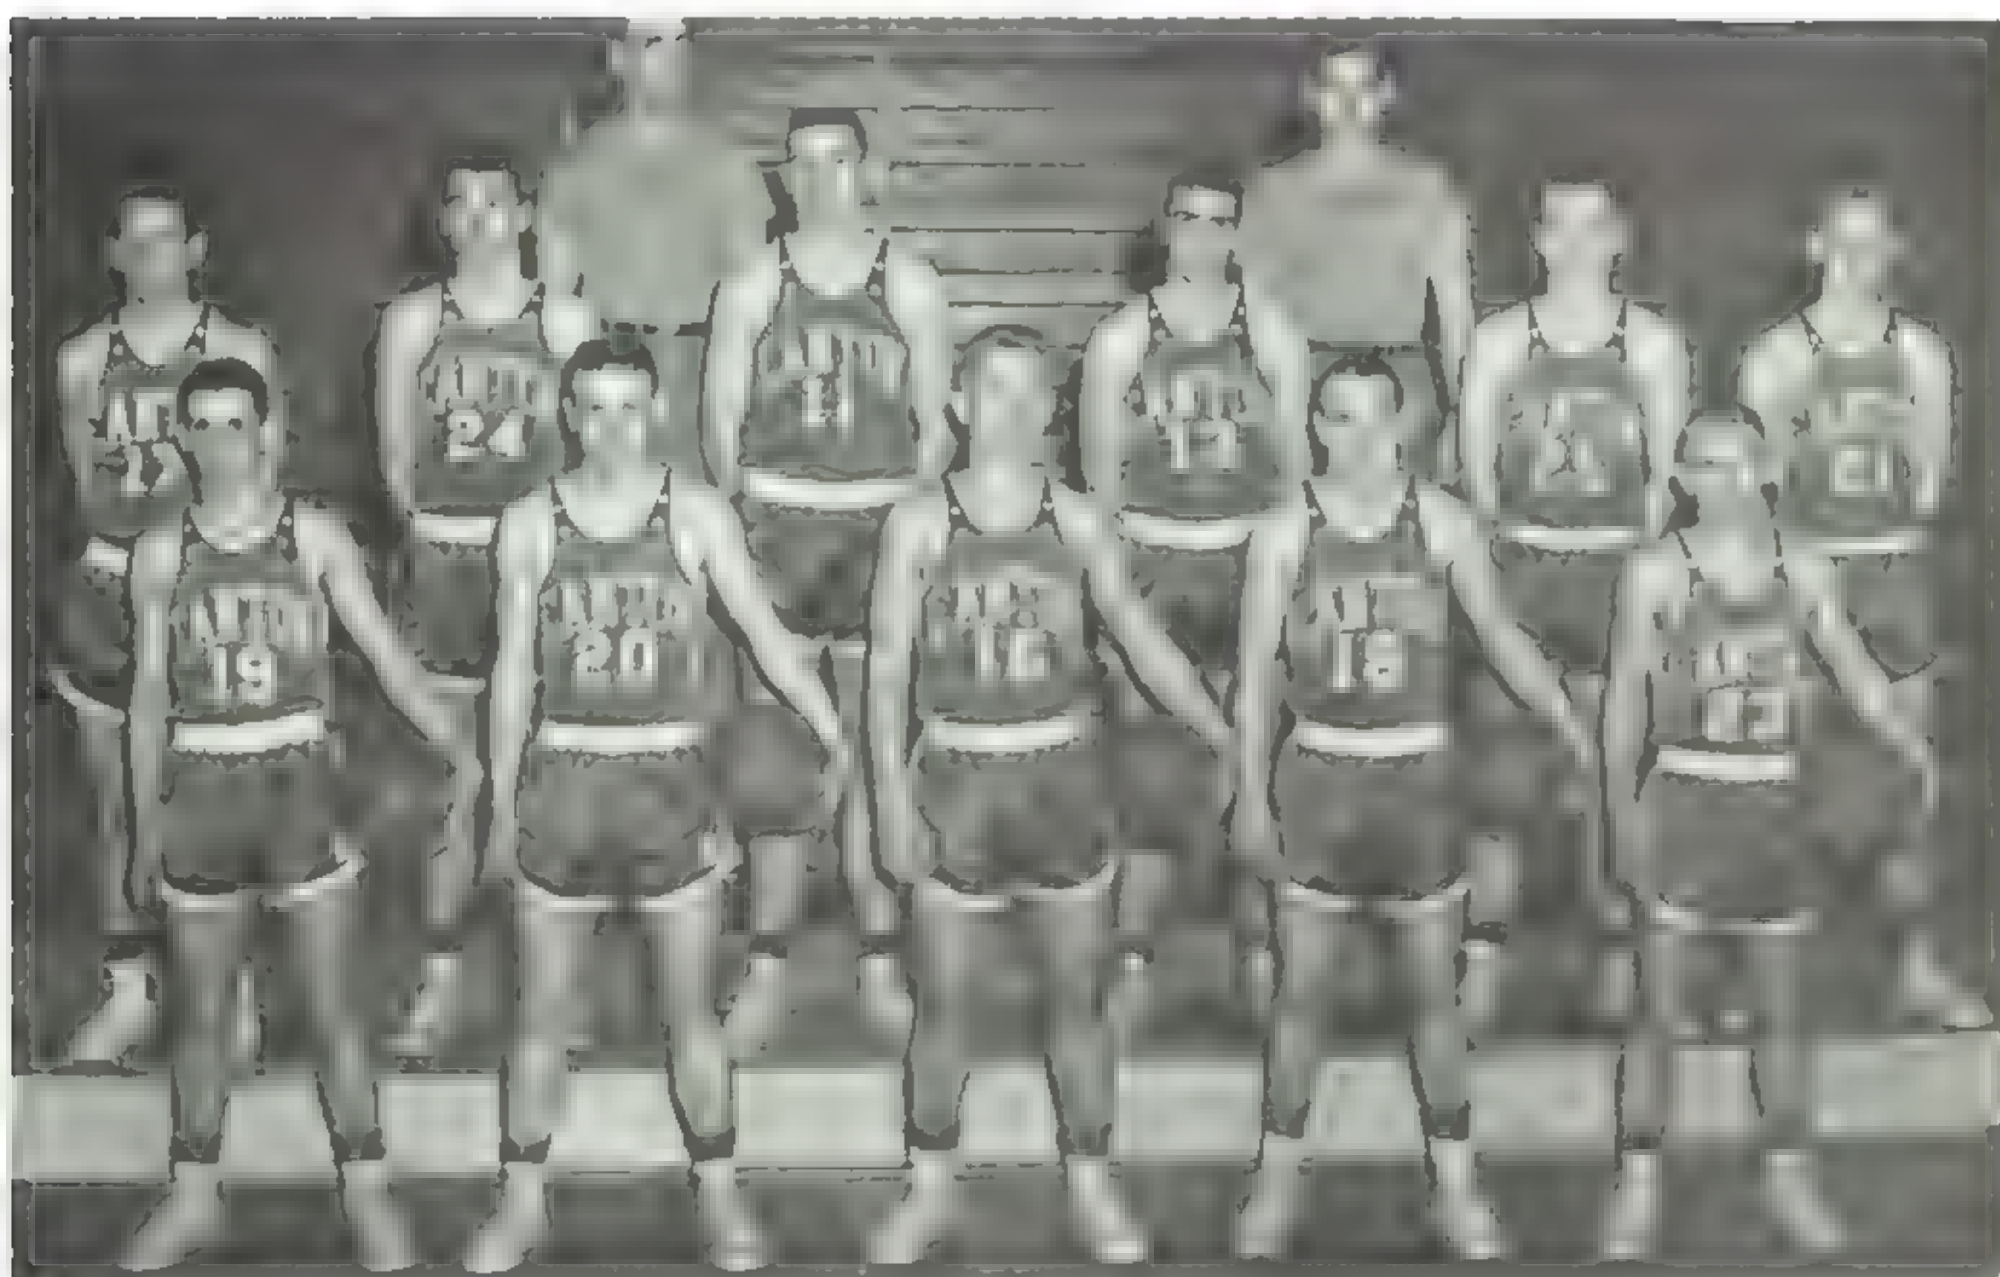

A fine pace of teamwork was shown by the Little Giants basketball squad this year. With a 16-7 record before entering tournament play Canton moved through the Regional and State to the Sweet Sixteen, only to lose their first game with St. Teresa's Leclaire who defeated them in the final three seconds of play by a score of 52-54.

The final record was 21 wins; 8 losses.

Coach Whitman will lose Butkovich, Coby, Day, Knott, Kovachevich, and McMullen from the first string which means a vast rebuilding job is ahead.

Good luck to those leaving and success to those of next year's team.

WRESTLING

Coach Markin, who is the new wrestling coach at C.H.S., has been coaching since 1971 with the Little Giant grapplers. Markin is experiencing his first year coaching and he recently graduated from Western Illinois State College. With the exception of Bob Swearingen and Bill Toncray, two top performers last year, the coach has a complete team of veterans returning. There has also been much interest created among the non-wrestlers, which will be a big help next year. The team is still a little green due to lack of experience, but with a little patience along with the tireless help of the coach, the wrestling fans will not start hearing a lot about the C.H.S. grapplers. In response to a question about this year's team Coach Markin replied, "We're a long way to go, but we'll get there!"

FROSH - SOPHOMORE CHEERLEADERS

We at Canton High are very lucky to have four groups of the peppiest cheerleaders any school could ask for. They deserve a cheer from us all. No! let's give four cheers to these people who have done a tremendous job.

INTRAMURALS

The intramural sports team, consisting of students and faculty members, posing for a group photograph in front of the school building. The group is arranged in several rows, with some individuals standing on a raised platform or steps on the right side. The students are dressed in mid-20th-century attire, including sweaters, slacks, and button-down shirts. The building in the background has a central doorway and windows with dark frames.

INTRAMURAL SPORTS

The 1952 intramural sports season was a success for all who participated and is being remembered for a long time. Over 200 students participated in each sport. Instructor Mr. Walter Metzger devoted much time in planning schedule and teams which now represent the school. Awards were presented to each winner in each of the specific sports. Not only does Mr. Metzger handle intramural sports but he is also working with the Rotary Jr. Olympics in that which is an annual. Many medals have been awarded to every winner in each of the sports. We all C.H.S. thank you Mr. Metzger for your faithful and successful working with intramural sports.

G.A.A.

"Then here's to dear old G.A.A."—one of the most active girls' organizations in Canton High School!

They have two hundred enthusiastic members who work untiringly to get their points together each year.

Their activities and tournaments include such sports as: basketball, volleyball, tennis, badminton, and bowling.

Here are the letters received for their efforts. The first year with 600 points, a small "C" is given; the second year with 1200 points, a large "C" is given; the third year with 1600 points, the "I" is given; the fourth year with 2000 points, the state emblem, the map of Illinois is given.

And last, but far from least, the organization must have a able leader. In 1954, it was such a meaningful year. Mary Hoadley, acting as the first year G.A.A. president, Marilyn Walsh; second year G.A.A. president, Margaret Menne; and treasurer, Carol Loukas. The reporters were Janet Kovachevich and Barbara Knott.

1952 HOMECOMING

Festivities actually started on Thursday with a Football, Poem, Parade, and an outdoor dance held at the Athletic Field.

Friday morning, October 27, C.H.S. students appeared to be anxiously awaiting the activities of the day and the announcement of royalty. During the afternoon the students were pleasantly surprised by a most unusual television broadcast from the stage of the assembly, which was well planned by Miss Coty and members of the Dramatics Club. Then came the announcement: Lenora Dubney and Len Kovachevich would reign over the remaining activities. Janet Oaks and Jim Young served as their attendants.

Next came the parade with many room rooms and clubs participating. Prizes went to G.A.A. for first place; F.F.A. second place; and Rel. Room 4 for the outstanding car decorated for this special occasion.

That night the brisk weather did not dampen the spirits of the crowd which cheered the Little Giants to their finish in a 20-20 tie with East Peoria. Trophies and cash prizes were awarded to the final winners and the King and Queen were crowned by their attendants at half time.

Finally came the dance with dreamy music provided by Rudy James' Orchestra. Alumni and old friends crowded around to see the long awaited arrival of the King and Queen who took their places amid the admiration of the crowd. At last everyone realized that another unforgettable Homecoming had come to a perfect close.

1952 PROM

...A... In... Night... the night—a beautiful, spring and... with the music of Rudy James, ... a huge success.

Everyone... as if we were going to a Hollywood Premier. Yes, it was a night that will be long remembered. There were many "ah's" and "oh's" while we were all standing in the Grand March ready to parade into the dance.

At last the time had come to start our gala evening of fun, romance, and excitement. There stood Dave and Tess ready to christen our 1952 Prom by leading the Grand March. David Chambers, our Junior Class president, and his lovely Queen, Tessie Chambers, dressed in a beautiful white lace gown, were a tribute to the whole affair.

We wish to thank everyone who had a helping hand in our 1952 Prom. It was a night that will always be remembered.

THE SENIOR-JUNIOR HOP

On the evening of December 26, the Juniors and Seniors spent an enjoyable evening at their annual Senior-Junior Hop. It was held in the Elks' Ballroom from 8:00 to 11:00 P.M. The girls, in crisp taffetas and velvets with beautiful corsages, and their handsome dates, danced to the music of John Phillips' Orchestra from Peoria.

The committee, and the Senior advisors, Mrs. Stutsman and Mr. Gentry, should be congratulated for making this Senior-Junior Hop the best Hop ever!

SENIOR CLASS PLAY

"FATHER WAS A HOUSEWIFE"

"Father Was A Housewife" a humorous and interesting play, was presented in the high school assembly on November 13 and 14 under the direction of Mr. Charles Walker.

Julie, her sixteen-year old daughter, has her first real crush on her brother's bashful friend, Warren. Doug Butler, a motorcycle fan, is chased by a hard-boiled policeman for speeding. To add more to the worries of Ann, Tom Butler, her husband, has acquired the title "Housewife" throughout the neighborhood because of his one desire to become a successful song writer. With the help of Ann a fast-talking salesman, a local disc jockey and a popular singer, Tom finally succeeds! After three acts of hectic happenings, the play ends happily for everyone concerned.

LATIN CLUB

Salvete!

The Latin Club has been in a very active state since Mr. Henry Clark has been active since the first few weeks of the school year. The club has been active by organizing the Homecoming parade and many other things. Anybody who is interested in the club when was was elected by the club members. Then a Homecoming was held November 20, in the Homemaking Department.

Consequently the Latin Club really has a large and active group this year having a capacity of sixty members. The members meet every two weeks to plan their activities.

Students are required to have at least one year of Latin before they are permitted to join the Latin Club.

The executive committee consists of Charles Church, president, Rachel Robertson, vice president, Peggy Komers, secretary, and Shirley Barker, treasurer.

Hats off to this wonderful organization!

BIOLOGY CLUB

With Mr. John Runkett as advisor Betty M. Trickett, president, Carol Lay, vice president, Mary K. Rose, secretary-treasurer, and Lei Lani Erla and Sandra O'Brien as historians, the Biology Club has a very successful year.

Activities for the year included a winter retreat at Youth Area and plans for a trip to Chicago or St. Louis.

The Club has had several money-making projects such as dances and a concession stand at the football games. As a result this year's group bought a filing cabinet and contributed it to the Carter High School Biology Club.

This Club is affiliated with the Junior Academy of Science at which Mr. Runkett is the state chairman. The main purpose of this organization is to stimulate the interest of the youth of Lincoln in entering a career in Science and to develop the potentiality of Science.

All this wonderful work is due to Mr. Runkett's capable leadership.

NATIONAL HONORS SOCIETY

NATIONAL SENIOR HONOR SOCIETY

NATIONAL JUNIOR HONOR SOCIETY

NATIONAL HONOR SOCIETY

One of the highest honors that can be given to a high school student is membership in the National Honor Society. Students are chosen for their qualifications: scholarship, character, leadership and service. This organization helps to bring out the abilities of students, to raise their moral standards and to prepare better citizens for the future.

The officers of the National Honor Society this year were president, Ronald Kureken; vice-president, Evelyn Beckman; secretary, Shirley Barker; treasurer, Margaret Phillips; and emblem bearer, Maxine Pollett.

The group is under the advisement of Mrs. Helen Clark.

NATIONAL JUNIOR HONOR SOCIETY

Have you seen the students going around with signs in their hands saying, "I'm stupid"? If you have, you will know that it is the National Junior Honor Society's imitation. They have worn imitations a year and if you are one of those being initiated, you should feel very proud.

The students who are in this organization are anything but stupid. They must average B or above in their schoolwork and have high standards in leadership, service, character, scholarship and citizenship. In this way they are recognized and envied by the rest of the CHS students.

The National Junior Honor Society was sponsored this year by Mr. Ray Coats, who has done a fine job. Assistants were president, Pat H., vice-president, Harry Jacobs, secretary, Judy Carter, treasurer, Gordon Hamilton.

LIBRARIANS' CLUB

Because of the excellent supervision of Mrs. Carey our librarian the library has just passed thirty years and has a wealth of information.

One of Mrs. Carey's main help is to keep the library neat and efficient. At the beginning of the year she chooses two librarians for each period of the day. They are all eligible for the Librarians' Club when they accept the duties of a librarian.

Some of the main tasks of the librarian are to check out books, replace books on shelves, keep files straight, and keep the shelves looking neat at all times.

Each year the girls enter a contest in the Homecoming parade. There are also parties and other activities held throughout the year. This year there was a Christmas party and special meetings were held to discuss library work.

The officers for the year were: president Shirley Junge, vice-president Joyce Richardson, secretary Roberta Ash, and treasurer Mary Jo O'Brien Sullivan.

A black and white photograph of a large group of young people, likely a school group, posing in a room. They are arranged in several rows, with some standing and some sitting on the floor. The group is diverse in age and appearance, and the setting appears to be a classroom or a similar indoor space.

The following table shows the results of the regression analysis for the dependent variable "Number of publications" (Y) against the independent variables "Gender" (X1), "Age" (X2), "Education" (X3), "Experience" (X4), and "Income" (X5). The model is: $Y = \beta_0 + \beta_1 X_1 + \beta_2 X_2 + \beta_3 X_3 + \beta_4 X_4 + \beta_5 X_5$.

Variable	Parameter	Estimate	Standard Error	t-statistic	p-value
Intercept	β_0	1.2	0.5	2.4	0.02
Gender	β_1	0.3	0.1	3.0	0.005
Age	β_2	-0.1	0.05	-2.0	0.05
Education	β_3	0.2	0.08	2.5	0.01
Experience	β_4	0.1	0.06	1.7	0.1
Income	β_5	0.05	0.03	1.5	0.15

The adjusted R-squared value is 0.45, indicating that 45% of the variance in the number of publications is explained by the model.

If you are interested in a book that is very enjoyable to read, work or perhaps in writing plays, here is the book for you. The papers of the Dramatic Club are to give you a complete knowledge of the works of famous dramatic artists. Call on that paper to find a book and let an individual who plans to further his interests in the dramatic field.

This year the Dramatics Club has planned many radio programs some of which were broadcast over radio station WBYS.

The Fraternity's Club and the Chorus were represented in the final Assembly program held on Homecoming Day.

A formal concert and entertainment was held in the hall, the assembly at the beginning of the year. The external began with the internal, and the Refreshments were served in the latter part of the evening.

Miss Daisy M. Coty, the club's adviser, is the most important asset of the club. Without her wise judgment and experience, the Dramatics Club would not exist.

Each year the students in the club elect people who will be the four leaders in their club. This year they have chosen Ronald Kareken, president; Norman Brasel, vice-president; Marilyn Walsh, secretary; and Evelyn Vaughn, treasurer.

Here's to the success of the Dramatics Club in past years and in future years!

CANDY SELLERS

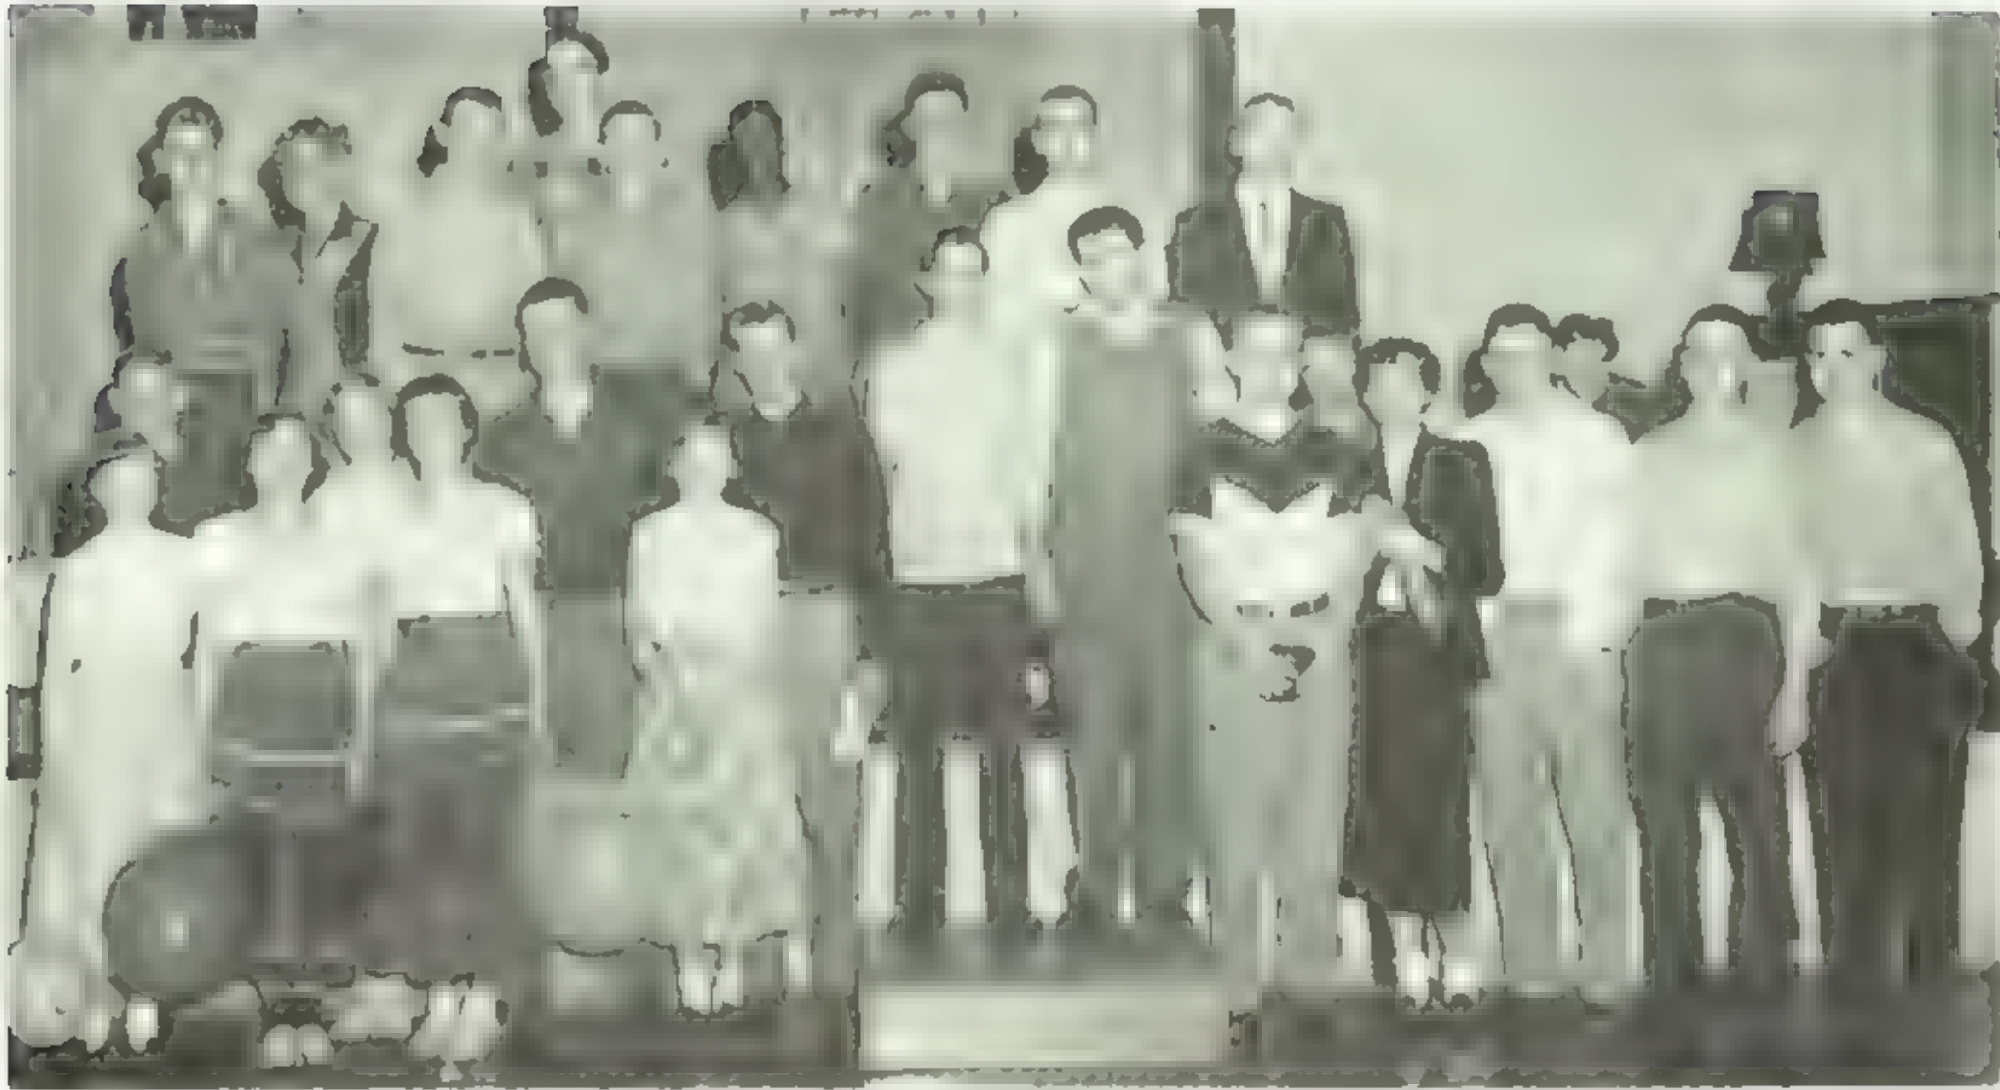

Continued from page 10. For years now, this group of girls has sold candy at the basketball games.

The hard work of these girls has been a source of income. The profits that come from this work are used for activities of both the Junior and Senior classes.

Candy, ice cream, and popcorn are sold during the regular season and tournament play.

Both classes owe a hearty "thank you" to the girls, as this selling project is an important one. Sincere thanks also go to Janet Strawn whose fine handling of the lobby stands made this year's candyselling a real success!

SPANISH CLUB

LA SOCIEDAD ESPANOLA (SPANISH CLUB)

Members of the Spanish Club have been very active this year. Under the leadership of Mrs. F. J. [Name], the club has held many meetings and has traveled to other cities for important meetings.

The officers for the year were: President, [Name]; Vice President, [Name]; Secretary, [Name]; Treasurer, [Name]; and Corresponding Secretary, Richard Sharpe.

The Quill and Scroll Society, a national organization of high schools, is an honorary journalism society. C.H.S. students do consider it a privilege to be chosen for membership. To belong to this society students must be members of the Future Teachers Club and have a high grade in English.

The following officers were elected for the 1954-1955 year:

President	Tessie Calogeris
Vice-President	Joanne Scalf

BAND

Have you heard the members of the Corton High School Band give the song "Tiger Rag"? If you haven't, you've missed one of their many specialties played at the football and basketball games.

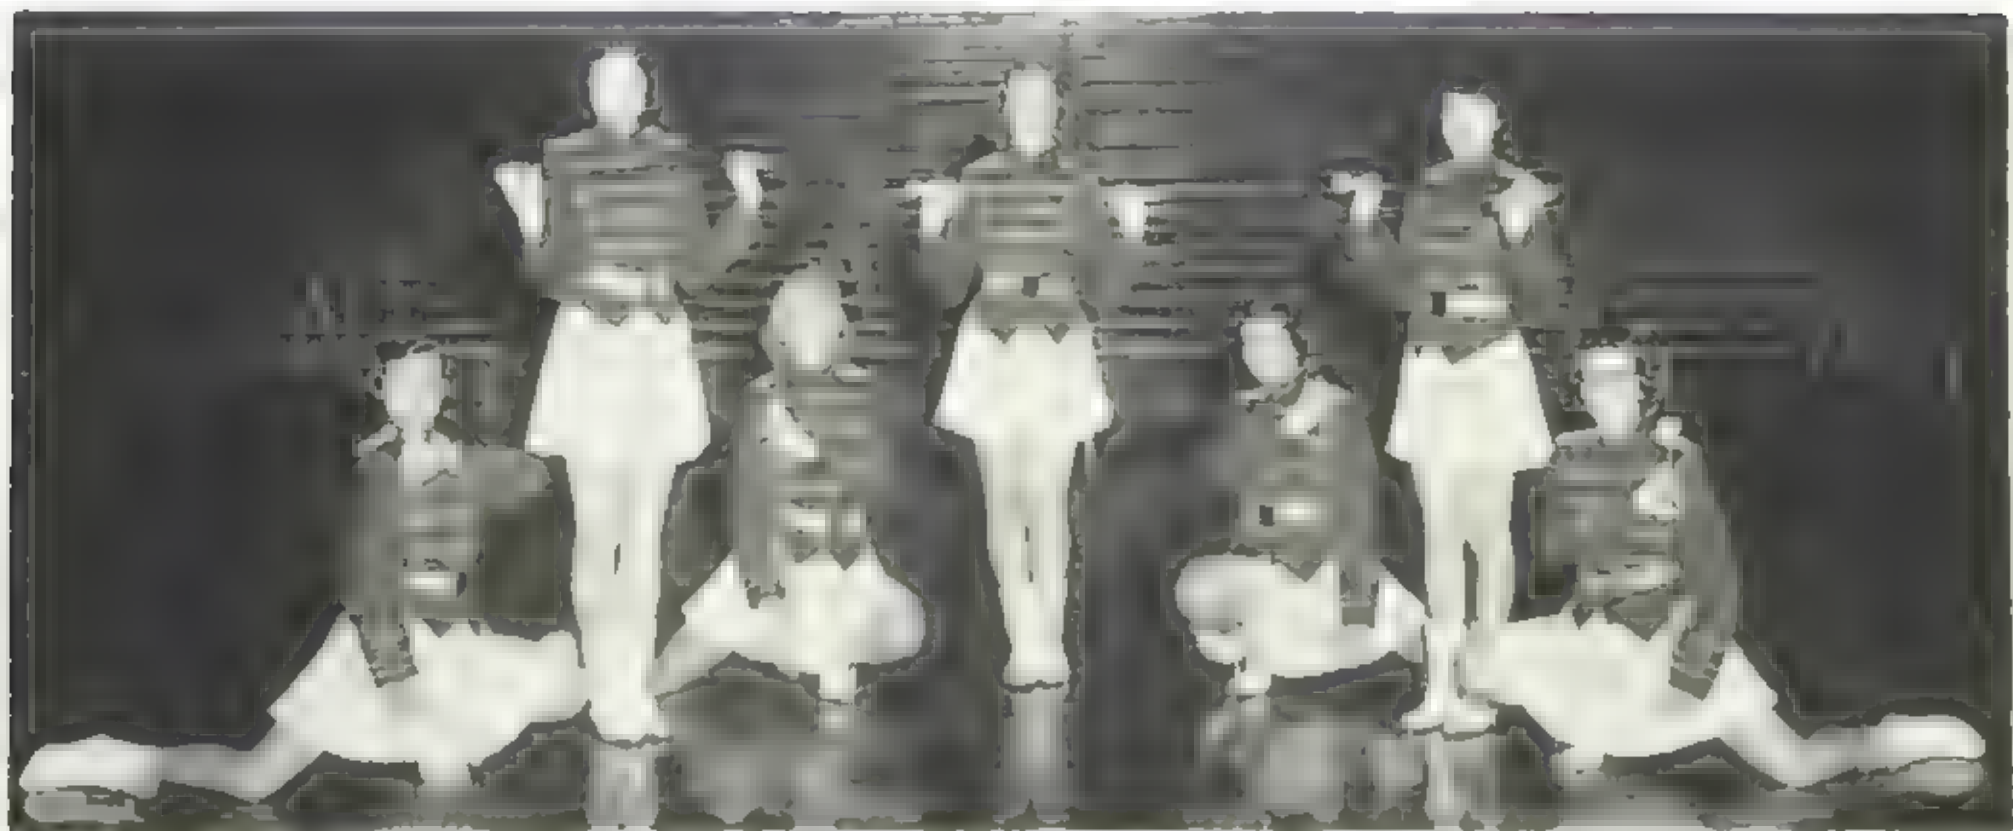

You've heard them play overtures, popular songs, and many other kinds of music. This year they attended the annual Spring Band Festival with the surrounding towns and entered the State Band Contest at Bradley. They marched in the Bradley Homecoming parade and were named as the best marching band in the parade.

The officers for the band this year were as follows: John Campbell, president; Jerry Wharehead, vice president; Roberta Tyler, secretary; Kay Derickson, treasurer. Librarians were Joann Woods and Alice Carlton.

Now to mention the man who made the band such a success: Mr. Ketric Klingman.

Let's give three cheers for the band and its wise director, Mr. Klingman!

MAJORETTES

Yes—here they are—our own dancing Majorettes of whom everyone around C.H.S. is proud. First in the front row is Nancy Mickalonis, our sweet Drum Majorette. Nan is one of the girls who came to the school from England to study and has a lot of fun in her new environment.

Stepping along right after Nancy are our vivacious group of Majorettes, Bobbie Tyldesley and Sharon V. (Sharon), are our other senior girls who will be missed next year. Coming right behind Bobbie and Sharon are Carolyn Wilson, Carol Thompson, Penny McLouth, and Janet Kovachevich.

Side by side with bright smiles on their faces our Majorettes make a perfect picture. We're very proud of them, and without them and our C.H.S. band, we'd have very little color at our parade football games, and basketball games. Nice going gals—you've done a great job!

MIXED CHORUS

Tones, Everybody! This is the video : M- Kung Kumon who directs the mixed chorus.

There is a way to make it easier for both the Taft Union County Chorus Festival and the Taft High School Chorus Concert. Individuals look forward to being chosen to be in the chorus group that represents Canton High School in the All-Star Chorus Festival, in which the top band and students perform.

Activities this year have included a car wash and a party

Consequently, Mr. Thompson has no direct interest in the music department.

The former is for girls who ride the bus every day to go. It's a big help when it comes time to wonder what to do during the lunch hour. Last year there were forty-eight members, who met every Wednesday noon for a business meeting with musical programs for entertainment.

The officers were: president, Yvonne Wilcoxon; secretary, Joann Berry; treasurer, Marilyn Metcalfe; The 3rd, and Betty DeFord.

There were one hundred and thirty-four members belonging to the S. Y. T. They met the first and third Thursday of each month at 3 P.M. for penny potlucks and parties, and winter.

PENNANT

"What would happen if—"

That's our school paper, the Pennant. It's crammed to the brim with news about our clubs, classes, teachers, teams, scholastic and last but not least, gossip.

Everyone looks forward to the week when the Pennant comes out. Each issue has four pages except on special occasions when there are more. It gives the students a fine record of the happenings at C.H.S. during their four years here.

Each issue of the Pennant has a different editor. This gives fine training for the students who participate in the publishing team.

The Pennant is under the close supervision of Mrs. Lillian Hagboom. The advertising and financial matters are handled by Mrs. Gaylys Crouch.

FRENCH CLUB

LE CERCLE FRANCAIS

Most of this year's program consisted of colorful "Dejeuners" (luncheons) and "Petite Dîners" (suppers) given by the well-trained home economics department. Special menus were prepared to fit holiday occasions and to acquaint the members with typical French foods.

French Club year was closed with a banquet, and during the year the Club also held a banquet, and had guest speakers in French.

Among the other highlights of the year was the party given in honor of the first year French students and the caroling during the holiday season.

All the members were helped by the French Club. The Club's president, Ann Kingman, and the Club's secretary, Miss Conklin, have known the French people and country has brought them to the Club.
